

**State Water Resources Control Board
Groundwater Ambient Monitoring and Assessment (GAMA) Program
Priority Basin Project**

**Coastal Study Unit of the South Coast Ranges
Wrap-Up Meeting**

Tuesday, June 8th, 2010
1:00-3:00 pm

**Central Coast Water Authority
255 Industrial Way
Buellton, CA 93427**

AGENDA

Introductions; Meeting Overview

- Program Overview – *State Water Board*
- Basin Assessment Implementation – *USGS*
- Preliminary Data Presentation-- *USGS*
- Wrap-up and Adjourn

Background: The Coastal study unit of the South Coast Ranges includes the DWR defined groundwater basins of Santa Maria River Valley and Santa Ynez River Valley, and falls in San Luis Obispo and Santa Barbara counties.

The GAMA Program was created as a result of statewide groundwater quality concerns and was later expanded by the Groundwater Quality Monitoring Act of 2001 (AB 599). The primary objectives of the GAMA Program are to improve comprehensive groundwater quality monitoring and to increase public availability of groundwater quality information. Participation is voluntary. The State Water Board implements the GAMA Program with the US Geological Survey and Lawrence Livermore National Laboratory.

Please visit www.waterboards.ca.gov/gama for more program information, a copy of the agenda, and a map to the meeting site. You may also see <http://ca.water.usgs.gov/gama/> for additional technical information.

Directions:
